### 2018 NHS organisation tables: Please review

Has your information been accurately captured under the correct trust / LHB?

<https://www.nabcop.org.uk/resources/annual-report-nhs-organisations-tables/>

### 9th May 2019\* Third Annual Report publication

This Annual Report describes the process and outcomes of care for women diagnosed with breast cancer between 1 January 2014 and 31 December 2017 in England and Wales.

Previous years reports are available at: [www.nabcop.org.uk/reports](http://www.nabcop.org.uk/reports)

### 9th May 2019\* Public and patient report

This is the first year that the public and patient report version of the Annual Report is released alongside the clinical report.

*\* NOTE: This release date is subject to change pending final approval from NHS England*
