## Highlights

1

**\*\*\*The NABCOP Organisational Audit 2020 is closing - final call for submissions\*\*\***

Submissions are closing on **Friday 29th January** for the 2020 Organisational Audit. We would like to express our sincere thanks to all NHS organisations who have participated and provided us with responses. For more information, see our news item below.

2

**Feedback on NABCOP supplementary materials – tell us your thoughts**

Have you used our 2020 annual report supplementary materials, such as the local action plan? Please provide feedback on what you think we could improve or change. We would love to hear from you! Why not email us at [NABCOP@rcseng.ac.uk](mailto:NABCOP@rcseng.ac.uk)

## The NABCOP January Update

### NABCOP Organisational Audit (OA) – 7 days left to complete!

We would like to say a big thank-you to the NHS organisations who have participated in our second OA of breast care services. The survey will officially close on **Friday 29th January**, and we look forward to sharing the results with our stakeholders in 2021.

If your hospital has not completed the survey but is still able to participate, please email [NABCOP@rcseng.ac.uk](mailto:NABCOP@rcseng.ac.uk) to discuss this with the Project Team. If you are unsure if your hospital has participated, please [see our website](#) for details of organisations who are yet to submit a response.

### New NABCOP publication: influential factors on treatment for older women with triple negative breast cancer

The latest peer-reviewed publication from the NABCOP is available to [view in the publications section of our website](#). This investigates the influences of age, comorbidity and frailty on receipt of surgery and chemotherapy in older women with triple negative breast cancer. Remember to follow us on twitter [@NABCOP\\_news](https://twitter.com/NABCOP_news) to stay updated with our work!

### Key dates in 2021

**25<sup>th</sup> January** - ABS MDT Meeting (virtual)  
**17<sup>th</sup> - 18<sup>th</sup> May** - ABS conference

### Guidance and tips

#### Tip: Organisational Data Viewer

Looking to review your organisation's individual results for the 2020 NABCOP Annual Report? Our organisational data viewer allows each organisation to review their own data, and compare it with others, or the overall rates. Click on the picture below to download your copy.

Report Chapter	Topic	
Chapter 4.2	Data Quality	
DQ_Summary	Data Quality (DQ) summary, by NHS Organisation, of Table 4.1	
DQ_Time	Data Quality (DQ) over time, by NHS Organisation	
Ind_Summary	Individual summaries, by NHS Organisation, of scores from Chapter 6 onwards	
Ind_Summary_Compare	A summary that allows for comparison of two selected NHS Organisations	
Chapter 6.1	Route to diagnosis	
Chapter 6.2	Triple diagnostic assessment in a single visit	
Chapter 6.3	Involvement of a breast clinical nurse specialist (CBNS) or key worker	
Chapter 7.1	Surgical treatment for DCIS	
Chapter 7.2	Radiotherapy treatment for DCIS	
Chapter 8.1	Surgical treatment for early invasive breast cancer	
Chapter 8.2	Radiotherapy treatment for early invasive breast cancer treated with surgery	
Chapter 8.3	Adjuvant chemotherapy plus trastuzumab for HER2 positive early invasive breast cancer	
Chapter 9	Chemotherapy for metastatic breast cancer at initial presentation	
Chapter 10	Recurrence rates for all patients	
Recurrence_Time	Date of recurrence over time, by NHS Organisation	
Version	Description and Amendment History	Date
1	Version published on 9 July 2020	09-Jul-20
Document Control		
The controlled copy of this document is held by the work area it covers. Any copies of this document held outside of that area, in whatever
